PritiJhangiani, actor Mukesh Khanna and Femina Miss India 2011 contestants Riddhima Pai, Kriti Kapoor, Surabhi Rao and Ruhi Singh.

After achieving grand success in online International MBA program, Jaro Education has now launched an innovative program - Earn & Learn MBA Program

(2 years). This program will help youngsters make a successful transition to the corporate world because while doing MBA they will also be working, which will provide exposure to business culture, business environment and they can experience an organisation's expectation as well.

ADVANTAGES OF EARN AND LEARN MBA PROGRAM OVER REGULAR MBA PROGRAM

Sr	Earn & Learn MBA program	Regular MBA Program
1	MBA degree + 2 years work experience certificate after completion	Only MBA degree after completion
2	Learning of management concepts and applying it to daily working = "Reinforcement of learning"	Only theoretical learning
3	Get experience of organisation's expectations and develop business communication skills, negotiation skills and Leadership and Entrepreneurship skills because of practical experience	Lack of practical experience and non exposure to organisation's work culture restricts development of such skills
4	Get job offer letter on enrollment for MBA and start working immediately	Wait till completion of the program (2 years) and even after completion, you are not sure of employment
5	Average salary after completion program is approx Rs. 5 lakh onwards, as students have 2 years of work experience + Management knowledge and skills	Average salary after completion of program is approx Rs. 3 lakh onwards, as students have only knowledge management
