MBA goes international

Former Mrs World and actress Dr Aditi Govitrikar enrolling for UBI-Jaro Education International MBA

As the global economy continues to expand, the demand for international business management (MBA etc) is higher than ever and expected to increase. To meet this need, Jaro Education and United Business Institute (UBI), Belgium, have designed the International MBA programme for students, working professionals and entrepreneurs at the convenience of learning anytime, from anywhere. UBI and Jaro Education have multiple accreditations from authorities like ASCB- Europe, ACS REGISTRARS - UK, JAS-ANZ and other bodies.

Recently, students of International MBA from the Jan 2010 batch were awarded the degree of International MBA. UBI's Belgium Director- Lucien Van Dievoet and Dean Dirk Daenen conferred the International MBA degree on the students.

Why is the International MBA programme from UBI - Jaro Education different from other management programmes?

Students say:

Stellar professors and study material, great support, online and weekend lectures have given me the

opportunity to move up the corporate ladder from a Manager to Senior Manager at Reliance.

coming days.

The International MBA Degree awarded by UBI, Belgium, Europe, is recognised worldwide. The online and classroom lectures provide convenience in terms of time and location. The programme fee is only ₹45,000 for the International MBA (one-year duration) inclusive of online lectures with easy installments and bank loan facility. An online examination facility provides flexibility and better time utilisation since exams are held on Sundays or holidays.

The faculty members at Jaro Education have distinguished academic achievements, work experience and are actively involved in teaching at top B-schools.
