

Online MBA: Ideal for Working Professionals

Prof. Sanjay Salunkhe, Director – Jaro Education and architect of online education in India, tells us why nowadays an Online MBA is preferred by working professionals

These days, students in India –just like in the United states - prefer to have 2-3 years of work experience & then go in for an MBA because learning of management concepts becomes easier and they can relate theory to management practices. However, it has been observed that once they start working, earning and learning good management practices, they prefer to do MBA without disrupting the continuity of working in an organization.

Jaro Education in collaboration with Europe's leading business school United Business Institutes (UBI),Belgium has introduced International MBA and Executive International MBA programs to suit the requirements of students, working professionals, entrepreneurs, housewives and others wanting to pursue a global career.
